Valletta, Malta

Nestled in the heart of the Mediterranean, **Malta** is a captivating southern European country with a rich history and culture. The Maltese Archipelago, comprising the main islands of Malta, Gozo, and Comino, is strategically located at the center of the Mediterranean Sea, only 93 kilometers south of Sicily. Despite its seemingly secluded position, Malta is easily accessible, with just a few hours' flying time from most mainland European cities and excellent intercontinental connections.
